Seafood lovers will want to take a tour of the restaurant's fresh fish display, where the daily catch can be picked and cooked-to-order.

The seafood journey boasts a variety of daily imports from the Mediterranean, including Sicily and Adriatic Sea.

We offer a decadently curated menu highlighting some of Italy's much-loved traditional desserts such as the Profiterole, a delicate chou pastry filled with an indulgent in-house hazelnut cream and toppid with roasted hazelnuts or the "Baba", a deliciously decadent cake soaked in a traditional citrus syrup, served with freshly made pastry cream.
